### Daily Prayer Points:

1. Pray that we would all draw closer to God and love Jesus more deeply, learning to depend upon God for all of life (John 15:1-5; John 17:3)
2. Pray for God's vision for 2024, and that He would reveal His plans to you in every area of our lives (work, home, church, community, etc.)
3. Pray for our families, friends, neighbors, and even our enemies, asking for God's grace, peace, and blessing (Matthew 5:43-48)
4. Pray for deeper discipleship personally, and within our church, along with greater ministry to families (kids, youth, young adults, parents, seniors, men and women).
5. Pray that God would fill our church and each individual with the Holy Spirit, developing both the gifts and the fruit of the Spirit in our lives (Luke 11:11-13; 1 Cor. 12:4-11; Gal. 5:22-23)
6. Pray for healing and miracles in our church, community, and homes. We also believe God for interventions, addictions broken, and the oppressed set free!
7. Pray for the poor, the mistreated, and abused in our community. Ask that God would bring justice quickly to the oppressed. Also pray for The Pantry. (Luke 11:42; Luke 18:7-8)
8. Pray for peace in Israel, Gaza, and the West Bank. We mourn the many innocent lives lost and pray that God would comfort the families who have suffered this loss, as well as the many who are displaced and suffering. We also pray for endurance and strength for our Christian brothers and sisters in Palestine and Israel. (Matthew 5:9)
9. Pray that God would heal the divisions in our nation, help the current presidential administration, and give our nation grace for the 2024 Elections. (1 Timothy 2:1-4)
10. Pray that Victory's ministries would be fruitful and full of love and joy: Pantry, Worship, Children's, Youth, Media/Online, Small Groups, Hospitality, Greeting, Deaf, Shabbat
